The Economic Times

MIET conferred Digital Campus Excellence Award for Innovation and Transformation at the Economic Times EduTech Awards - March 2024

MIET conferred with Special Jury Best Partner Institution Award at the UiPath India Academic Alliance Awards - February 2024. MIET integrates UiPath's Robotic Process Automation (RPA) curriculum across all UG Programs.

MIET INKS MoU with

**FACTORY AUTOMATION
KNOWLEDGE PARTNER**

August 2024

The MoU between MIET and Mitsubishi Electric India was renewed at Pune during August 2024. Mr. S. Sriram, Managing Director, MEI and Prof. Sahil Sawhney from MIET exchanged the MoU. Under the MoU new PLC kits worth Rs. 5 Lakhs were approved for the Mitsubishi ATC at MIET. New roadmap for the ATC with deeper engagement with industry partners was also discussed.

MIET Partners with International Automobile Center of Excellence (IACE)

December 2024

MIET partnered with the International Automobile Center of Excellence (IACE), a collaborative venture between Maruti Suzuki India Ltd. and the Government of Gujarat, to establish a Center of Excellence (CoE) in Electric Vehicles (EV). MIET was recognized among eight institutions in India for this pioneering effort and was invited to the IACE campus in Ahmedabad, where it engaged with industry experts, including representatives from Suzuki R&D, Maruti Suzuki, NSDC, and promising startups. Prof. Sahil Sawhney represented MIET at this prestigious forum.

Hon'ble Chief Justice Inaugurates Legal Aid Clinic at MIET School of Law” - July 2024

It was an incredible honour for MIET to host the Hon'ble Chief Justice of the Jammu, Kashmir and Ladakh High Court, Justice N. Kotishwar Singh along with Hon'ble Justice Tashi Rabstan and Hon'ble Justice Atul Sreedharan on the occasion of inauguration of the Legal Aid Clinic under the MIET School of Law. That MIET was the only Law School in J&K, chosen for this honour, made it all the more special.

Innovation @ MIET

March 2024

Padma Shri Prof. Anil K. Gupta

Founder - Honey Bee Network
Former Professor IIM - Ahmedabad

As one of the top three names on innovation in the world, Prof. Anil K. Gupta, IIM-Ahmedabad and Founder HoneyBee Network, brought beautiful stories from across India and the world and an unparalleled inspiration for fostering an innovative mindset at MIET. Innovation@MIET 2024 was a true celebration of innovation, culture and heritage, encouraging students and faculty alike to think outside the box and push the boundaries of what's possible. An MoU with Dr. Anamika Dey, CEO, GIAN (Grassroots Innovation Augmentation Network) was also signed on the occasion to promote student-driven innovation at MIET. Highlight of the event was an enthralling cultural performance by local artisans from the Jammu Kashmir Cultural Academy.

SAMMILAN 2024

On 3rd May 2024, the city was abuzz with excitement as the highly anticipated Sammilan event unfolded, bringing together music enthusiasts and bike aficionados for an unforgettable evening. The event featured an exhilarating performance by the renowned DJ MKSHFT and a spectacular Kawasaki bikes show, captivating the audience with a seamless blend of beats and horsepower. Sammilan was more than just an event; it was a celebration of music, technology, and community.

Major Highlights

Melody Maze (Singing Event) | Fusion Beats (Dance Event) | MIET Gala (Fashion Show) | World Wars (Debate) | Cultural Fusion (Art Exhibition) | Unplugged Expressions (Open Mic) | Cine Court (The Bollywood Moot Court) | Finders Keepers (The Beg Borrow Steal Quest) | Short Cuts (Short Film Showcase) | Gold Rush (Treasure Hunt) | Brush & Blush (Tattoo Showdown).

I-Survive

April-May 2024

Adventure Boot Camp

Over 1500 students participated in the I-Survive Adventure Boot Camp in the scenic hills of Patnitop, experiencing an exhilarating blend of adventure and learning. Nestled amidst lush greenery and rugged terrain, the camp provided a perfect backdrop for mastering essential survival skills under the guidance of expert trainers. The students engaged in various adventure activities. Expert instructors, with extensive knowledge in wilderness survival, provide hands-on training and valuable insights, ensuring that students gain both confidence and competence in handling real-world situations.

Major Highlights

- Innovative life skills training for all students.
- 15 Adventure activities with four difficulty levels.
- Introspection and self-discovery through hiking and meditation.
- Expert Certified Trainers leading the programs.
- Certificate awarded upon competition.
- Campsite at Patnitop, 7800 ft. above sea level.
- Unique student experience with transformative outcomes.

Workshop on Innovation in Collaboration with GreyB

An insightful workshop on Innovation was held in collaboration with GreyB, a Singapore-based innovation consulting firm, for 5th and 7th semester B.Tech CSE and Civil Engineering students. The workshop, led by Nikhil Gupta, Assistant Vice President - Operations at GreyB, and Mr. Prabhanjan Mishra, Team Lead, focused on innovation, R&D, intellectual property rights (IPR), and patents. Students actively

participated in brainstorming sessions, presenting innovative solutions to real-world problems. A key discussion highlighted Nokia's patent/R&D survival strategy despite its minimal retail presence. The workshop also introduced students to opportunities with the Beehive network and GreyB's Open Search Challenge, fostering research skills and problem-solving capabilities.

November 2024

Design Thinking workshop

The T&P Cell, in collaboration with Skilleit, an immersive 8-day workshop on Design Thinking was launched exclusively for first-semester B.E., SOM, and SOL students. Focused on game-based learning, the workshop combined innovation, creativity, and hands-on experience, utilizing Skilleit's renowned training approach to enhance students' problem-solving skills and foster a deep understanding of design thinking.

August 2024

Personality Development Workshop

Personality Development Workshops were organized for both freshmen and higher semester students to enhance their communication, leadership, and interpersonal skills. The workshops focused on boosting confidence, fostering personal growth, and preparing students for success in both academic and professional settings.

Master Class on Project Ideation

March 2024

Top CSE 6th Semester students attended an exclusive Masterclass on Project Ideation by Prof. Ankur Gupta, Director MIET focusing on leveraging ChatGPT, research platforms like ACM, and unstructured learning to enhance project development. He emphasized identifying real-world problems, exploring innovative solutions, and integrating emerging technologies. Students gained insights into practical ideation, programming adaptability, and the importance of continuous learning. The session provided a strong foundation for developing impactful projects.

Summer of Code

August 2024

T&P Cell organized a 100 Hrs Technical Training under “Summer of Code” for 5th and 7th semester CSE students, concluding an intensive program focused on developing skills in emerging technologies. Students engaged in problem-solving activities and competitive coding challenges on platforms like LeetCode, complemented by ongoing assessments. Certificates of Appreciation were awarded to the top 12 students for outstanding performance.

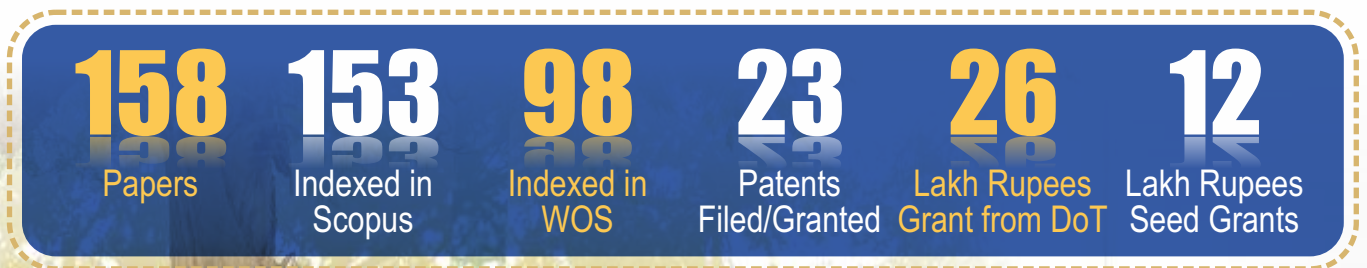

Annual Research Awards

October 2024

MIET organized its Annual Research Awards function on 9th October 2024, felicitating its faculty members who have excelled in Research and Development. Hon'ble Vice-Chancellor, University of Jammu, Prof. Umesh Rai was the chief guest on the occasion and distributed the awards and financial incentives to the faculty members.

International Conference on AI Sensors

August 2024

Prof. Sahil Sawhney presented Two papers titled “Caretaker.ai - A Smart Health Monitoring and Caretaker Assistant System for Elderly Healthcare,” and the second paper titled “Secure IoT Device with Single-Channel Communication for Resource-Constrained Applications” authored by Prof. Ankur Gupta and co-authored by Dr. Suhaib Ahmed Batt and himself, at the 1st International Conference on AI Sensors and the 10th International Symposium on Sensor Science at the National University of Singapore on 1st August. The conference, attended by experts from 28 countries, saw a strong representation from nations like China, Taiwan, Singapore, and Japan, with only 6% of attendees from India. The presentation was well-received, and with a patent already filed, the team is now focused on developing a prototype for the solution.

Participation in International Conference (CINS'24)

November 2024

Dr. Suhaib Ahmed Batt, ECE and Dr. Surbhi Gupta, CSE attended the 2nd IEEE International Conference on Computational Intelligence and Network Systems (CINS 2024) held at BITS Pilani, Dubai Campus during 28-29 November 2024 and presented their papers.

October 2024

Faculty Mentoring Program

IQAC recently kickstarted the Faculty Mentoring Program (FMP) - 2024, designed for a selected group of faculty members at MIET. This program aims to empower faculty members to reach their professional goals while aligning with the broader organizational objectives of MIET.

December 2024

Session on PI-360's OBE Features

The Internal Quality Assurance Cell (IQAC) conducted multiple training sessions led by Mr. Karan Khajuria on PI-360's advanced Outcome-Based Education (OBE) feature, for all Heads of Departments.

Tea with the Director Program

April 2024

The Internal Quality Assurance Cell (IQAC) organized the "Tea with Director Program" for the first-semester students of CSE-Cyber Security, BBA-LLB (Hons.), BBA (Hons.), B.Com (Hons.) & MBA. Over 600 students interacted with the Director under this initiative.

Meet the Director Series

October 2024

The Meet the Director Program, held for high-performing students from the School of Law, Management, and Engineering, offered a unique opportunity to engage with Prof. Ankur Gupta. The session focused on motivation, academic excellence, personal growth, entrepreneurship, and placement preparation, providing valuable insights for long-term success.

Training Sessions for Administrative Staff

The IQAC recently organized multiple hands-on training sessions tailored for various sections of administrative staff. These sessions aimed to bolster skills, foster professional growth, and uphold excellence across all aspects of institutional operations.

Orientation sessions on PI-360

The IQAC conducted the PI-360 orientation session for first-semester students of all programs. The sessions covered key aspects of the PI-360 platform, addressed student queries, and emphasized the importance of timely profile updates.

Financial Literacy

IQAC, in collaboration with NSE, organized a Financial Literacy session for sub-staff and peons, focusing on secure banking and fraud awareness. Special schemes for the benefit of the people were also discussed.

IQAC Lab Audits

The IQAC conducted comprehensive Lab Audits, assessing key parameters such as software inventory, troubleshooting, staff training, fire safety, internet connectivity, hardware condition, data security, and network infrastructure resulting in continuous improvement.

AWARD CEREMONY

Director's Merit List

The Director's Merit List 2024 Award Ceremony was held on 24th September 2024, recognizing the exceptional academic achievements of students who secured the 1st, 2nd, and 3rd positions in their respective programs during the semester examinations.

Highlights

- The Director's Merit List is an initiative launched at MIET to felicitate students who have produced outstanding results in semester examinations and finished in the top 3 in their course of study.
- Over 60 students were felicitated during the event.

Scholarship Day 2024

The Scholarship Day 2024 was organized by MIET, where 73 students from all departments were presented with scholarship cheques. The event featured the distribution of institute scholarships worth around Rs.10 lakhs, including those for single girl children, showcasing MIET's dedication to merit and gender equality.

Strategy Retreat 2024

June 2024

The Strategy Retreat for the leadership team, held in June 2024, focused on reimagining and strengthening MIET's five-year strategic plan, aligned with its core values. Key discussions led to the introduction of new courses, refinement of key performance indicators (KPIs), and alignment of strategic priorities. The retreat reinforced MIET's commitment to innovation, excellence, and sustainable growth. As a follow to the Strategy Retreat a detailed Strategy Plan till 2030 was formulated and approved.

Annual Town Hall Meet

A Vision for Growth and Excellence

February 2024

At the Annual Town Hall, Prof. Ankur Gupta, Director MIET shared updates on MIET's growth, new initiatives, and transformation strategies, focusing on performance, responsiveness, professionalism, self-development, and enhancing student engagement for future success. The Town Hall Meet is an organizational best-practice for building a shared vision for growth.

IEEE YESIST12 PRELIMS !

MIET was among the 32 prestigious pilot institutions from 20 countries selected to host the preliminary round of the International Project Innovation Challenge for students and young professionals. The event fostered innovation and collaboration, bringing together bright minds to address pressing social challenges through technology. With diverse tracks like the Innovation Challenge, Junior Einstein, Maker Fair, IEngage, WePOWER, and a Special Track, it provided a platform aligned with the UN's sustainable development goals. Out of 51 registrations, 34 participants were shortlisted for the prelims based on their innovative ideas. The venue buzzed with creativity as stalls showcased groundbreaking projects, prototypes, and concepts.

ENCORE Open Mic Program

May 2024

The IEEE Student Branch conducted the "MIET ENCORE Open Mic Program." The event, designed to celebrate and showcase the diverse talents within the student community, took place on May 17th, 2024, at MIET and was enjoyed by all.

IUCEE Student Chapter Leads Plastic Awareness Campaign

August 2024

IUCEE Student Chapter MIET organized an awareness campaign under MoEFCC's National Task Force initiative, promoting the elimination of single-use plastics. Through posters and student interactions, the campaign successfully encouraged sustainable alternatives, fostering environmental responsibility on campus.

ACM India Research Opportunities in Computer Science

November 2024

The ACM India ROCS Workshop, held on 30th November, served as a vibrant and impactful platform, bringing together distinguished researchers and enthusiastic students to explore cutting-edge advancements in computer science. The workshop featured key sessions by esteemed speakers, including Dr. Arun Balaji Buduru (IIIT Delhi), who delivered an engaging talk on Usable Security and Affective AI; Dr. Samaresh Bera (IIT Jammu), who provided valuable insights into research opportunities in systems and networking; and Dr. Shabir Sofi (NIT Srinagar), who shed light on research opportunities at NIT Srinagar. These sessions offered participants a comprehensive view of emerging trends and opportunities in the field.

ACM Eminent Speaker Program

December 2024

The ACM Eminent Speaker Program, held on 13th December, was a resounding success, uniting students, faculty, and researchers in an engaging and enriching experience. The event featured Dr. Amod Jai Ganesh Anandkumar, Director of Harman International, Bangalore, as the distinguished speaker. He delivered two thought-provoking tech talks: "The Intelligent Edge: A Convergence of Hardware, Software, and Machine Learning," and "Smart Devices on Wheels: Autonomous Electric Software-Defined Vehicles." These sessions highlighted cutting-edge advancements and provided valuable insights into the rapidly evolving fields of technology and innovation.

Minor Degree Certificate Distribution Ceremony at IIT Jammu

On May 22, 2024, a ceremony was held at IIT Jammu to distribute Minor Degree Certificates to the students of Civil Engineering from MIET in Transportation Engineering and Hydraulics and Water Engineering. Prof. Manoj S. Gaur, Director IIT-Jammu and Prof. Ankur Gupta, Director MIET distributed the certificates to 83 students.

GDG MIET Bug Bounty Competition

October 2024

ACM Student Chapter's Coding Battle

October 2024

The Bug Bounty Competition organized by the Google Developer Club On-Campus at MIET was a thrilling event centered around programming and web development. Participants tackled a range of tasks across multiple domains, including C++, Python, HTML, CSS, and JavaScript, giving them the perfect platform to showcase their technical expertise and win exciting goodies.

ACM Student Chapter organized the Code Wars, a coding competition on October 4. Twenty-two teams from 1st, 3rd, and 5th semesters tackled progressively challenging problems on HackerRank. Logic Legends (5th semester) emerged victorious, showcasing exceptional coding skills with over 100 members. The ACM Student Chapter is J&K's only active chapter.

Standard Writing Competition by BIS

July 2024

Inauguration of MIET Azure Developer Student Club

July 2024

Standards Club at MIET in collaboration with the Bureau of Indian Standards (BIS) organized Standard Writing Competition. The program aimed to educate students on the importance of standards in ensuring quality, safety, and reliability across various sectors, and to enhance their understanding of consumer rights.

In collaboration with Microsoft Azure, MIET launched the Azure Developer Student Club. Led by Kamakshi, Diya, Devyani (CSE), and Anmol (ECE), the team successfully coordinated with the Azure Developer Community to engage students in developing technical proficiency in the Cloud Computing & AI domain.
